

Artificial Intelligence (AI)

Artificial Intelligence (AI) is being widely recognized to be the power that will fuel the future global digital economy. AI in the past few years has gained geo-strategic importance and a large number of countries are striving hard to stay ahead with their policy naives to get their country ready.

As a beginning in this direction, CBSE has introduced Artificial Intelligence as an optional subject at Class IX from the Session 2019-2020 onwards. To enhance the multidisciplinary approach in teaching learning and also to sensitize the new generation, it was decided that schools would start AI “Inspire Module” of 12 hours at Class VII and Class VIII.

In DPSM, introduction of AI to Grade 7 and 8 students aims to make our students future ready and help them work on incorporate Artificial Intelligence to improve their learning experience. The subject is providing opportunities for children to showcase their creativity and designing skills.
