

Report on the workshop - “Inclusion – Role of teachers”

Delhi Public School Mysore, had organized an online workshop for teachers on “Inclusion – Role of teachers”, in association with ICTRC, on 12th February 2022.

Renowned psychologist, Dr. Ravindran was the subject lead. He spoke about the need of INCLUSION in changing times and he spoke about the role of general classroom teachers in INCLUSION. He emphasized the need to be empathetic towards CWSN and how a teacher can bring in changes in the mindset of parents, children and also the society.

Teachers of about 500 schools across India took part in the webinar, hosted by DPS Mysore. The session was headed by Mrs. Manju Sharma and conducted by the School Counsellor and Special Educator Ms. Bhavana Srikanth. It was concluded by a brief Q&A session, where the lead expert answered the questions posted by the participants.
