## From the teacher's desk....

"All students can learn  
and succeed, but not in  
the same way and not on  
the same day."

A blurred photograph of a person with glasses reading a book. The person is wearing a light blue shirt. On either side of the person are stacks of books. The background is dark and out of focus.

“If you are not willing to learn,  
no one can help you.  
If you are determined to learn,  
no one can stop you.”

- Zig Ziglar

# Health Tip

Clove is a popular spice found in almost every Indian kitchen. This amazing spice is associated with multiple health benefits. It is popularly consumed to boost immunity, as a remedy for toothache, and to cure respiratory symptoms.

In a bowl or bottle, put a two to three cloves in some water and let it soak during the night. In the morning it can be consumed with warm or cold water. According to studies, clove is known for eliminating parasites from the body, and drinking clove water every day will strengthen your immune system. Nose, ears, and throat all absorb the protective properties of clove, and help avoid colds and flu since these tissues are our first line of defense.
