# *A note from the counsellor*

---

**As the children are overwhelmed with the number of choices and options present in front of them with regards to academic selection to other areas , they need to selectively identify the key areas where they can focus and excel.**

**Students to give equal importance to mental health as to physical health and aim for a more fulfilling life ..”**

# *A note from the parent*

**“I must say the dedication of the teachers, the nurturing environment, and the commitment to holistic development are evident in the growth and enthusiasm for learning in my son’s behaviour. It’s clear that the school values each student’s potential and fosters a love for education. Kudos to the entire school community for creating such a wonderful and impactful learning journey for my son!**

**Kudos to all the incredible teachers of class 12th, your dedication and guidance have played a crucial role in shaping my son’s future. Your commitment towards his education and growth is truly inspiring. Thank you for your unwavering support and for going above and beyond to help him succeed. Your efforts have made a lasting impact on him.”**
