To The Principal Delhi Public School Mysore

Respected Ma'am,

Subject: Regarding the quality of drinking water

Drinking water was collected from the drinking water tap of your school administrative Block on 23/05/2025 for H2s Media testing and sent to the laboratory. The result of the said water test came on 25/05/2025 and it is confirmed that the report has been received that the water is fit for drinking.

With best regards,

Yours faithfully
